

Key Stage One Curriculum **Autumn**

During the Autumn term, we will be exploring the flight of the Concorde. English and Maths skills will be taught discretely and the books we study will link to this theme. Our wider curriculum subjects will be studied as a connected curriculum, with opportunities to apply skills from the core curriculum through our exciting topic.

English

This term we will be.... reading the stories 'I am Amelia Earhart' and 'Mrs Armitage on wheels'. We will also be writing recounts of our trip to Aerospace and learn how to write instructions.

We are learning to:

- Use capital letters and full stops accurately.
- Use adjectives to describe characters and settings.
- Extend our sentences using conjunctions for example, because, so that etc.
- Plan, write and edit our writing.
- Use imperative verbs and time conjunctions for make our instructions clearer for example, put, stir, cut, first, next etc.

You can help your child by:

- Practice letter formations and your child's weekly spellings. You can practise your spellings in lots of fun ways such as, painting the words, writing with chalk outside or using magnetic letters.
- Read with your child as many times as you can. Retell stories that you have read or shared together. Ask questions e.g. What sort of character is he? Where is the story set?

The flight of the Concorde

Maths

This term we will be learning to...

Place value: Understand place value in two digit numbers, order numbers up to 100 and use the symbols for less than and greater than.

Addition and Subtraction: We will be mentally solving addition and subtraction number sentences as well as using the inverse to check answers and solve missing box number sentences. We will be applying the methods we have been taught to answer word problems.

Shape: We will be learning to recognise and name common 2d shapes e..g triangle, rectangle, pentagon etc. We will also be exploring 2d shapes in different orientations for instance full turn, half turn, quarter turn.

You can help your child by:

- Look for numbers at home or when you are out. Ask questions such as: How many tens? How many units? Is it bigger or small than.....? Can you put these numbers in order?
- Practise counting in 2s, 5s and 10s. You can use objects around the house to help you such as pairs of socks, toys or dried pasta.

Cycle 1: HISTORY KS1

Geography:

Through our creative curriculum, we will be exploring our local area. We will locate Bristol on simple maps and discuss the similarities and difference between where we live and a tropical Island.

We will be learn our compass directions

Design and Technology:

In DT, we will be exploring different mechanisms for example, levers, wheels, sliders, and axles while creating our type of transport using junk modelling.

Computing: Data

We will be learning to interpret and organise data into graphs using computer software.

PE: We will be learning to control and co-ordinate our arms and leg actions e.g. marching and how to travel in different directions.

Science:

We will be learning to identify and name a variety of materials including wood, plastic, glass, metal, water, rock, paper and cardboard. We will be thinking of different words to describe the properties of materials such as its looks or how it feels. We are going to then sort everyday materials and objects based on their properties.

You can help your child by:

Explore the variety of objects in your home. Ask the children questions such as:

- What is it made of?
- What is it used for? Why?
- What materials are natural and which are man-made?

History: Flight of the Concorde

We will be exploring one of Bristol's most iconic creations, the Concorde. We will also be discovering how Bristol has changed over time by looking at buildings, maps, people etc.

Art and Design:

In Art, we will be developing our developing our drawing techniques by sketching aircraft. We will then be using our designs to create our aircraft out of clay.

We will learning about the artist Ken Bushe who is known for his paintings of the sky.

Spanish:

We will learn how to use basic greetings, say the numbers 1-10 and name

Be Safe:

Being safe in Bowsland

Be Safe: Anti-Bullying

Be Safe: Road Safety

Music: The unit is call 'Me'. We will be exploring creative music around the themes of growing, home, colour, toys and how I look.

Social time:

We will be covering relationships, negotiating and solving friendship issues and feelings.

RE:

We will be learning about Christianity and the importance of God.

Flight of the Concorde

Behaviour for Learning:

We will consider what it means to be a purple learner and explore the different learning powers through our ELLI story and characters.
