

EYFS Curriculum **Spring**

Prime Areas; Personal, Social and Emotional Development

This term we will be; sharing our ideas in a small group.

You can help your child by: encouraging your child to talk about the activities they are doing at home.

Prime Area: Communication and Language

This term we will be; talking about the stories we have heard and thinking of questions that will extend our learning.

You can help your child by: encouraging them to ask you questions.

Home is where the heart is

To Infinity and Beyond

Prime Area Physical Development

This term we will be; getting changed independently for P.E. sessions.

We will also be talking about what makes a healthy diet.

You can help your child by: encouraging them to get dressed and undressed independently.

You can also help your child by comparing healthy and unhealthy foods and talking about how often we could eat unhealthy foods.

Cycle 2: Geographical

Reading

We will be reading lots of different stories linked to our topic of space. We will also be looking at the Internet and non-fiction books to help us to learn more about our topic. We will continue to learn to read 'tricky' words such as 'the' and will be blending sounds to read new words.

Technology

We will be using I pads and computers to find out about planets and space.

Writing

We are expecting a visitor from another planet this term and so will be writing letters and instructions. Our focus will be to write independent sentences, remembering to leave spaces between each word. We will also be using a full stop at the end of our sentences and a capital letter at the start.

Maths

The focus of our maths will be to double and halve numbers using objects and then numbers.

We will be talking about length, height and weight.

Home is where the heart is

To Infinity and Beyond

Expressive Arts and Design

We will be mixing colours, exploring texture and building structures.

Elli

This term our focus is the **owl** character. He will help us to plan what we want to do in the future and to think about the resources that we might need.

Understanding the World

Our focus will be to look at our local environment and to compare it with different planets.
We will be investigating the different materials that we could use to make a spacesuit.
