

Next Term

Our next topic will be *'We built a Zoo'* . Through our mantle we will be faced with a problem of a zoo being closed down. We will become architects, designing and building a zoo to house some homeless zoo animals ! We are very excited to be visiting Bristol Zoo as part of our learning journey dens and writing to the Queen!

PE Kits

Over the next term we will be trialling wearing PE kits for the whole school day. We are very excited about this as we will have much more time for enjoying our PE lessons. The children have been doing so well dressing themselves independently at school.

Please continue to work on this at home.

More dates for your diary!

We hope you can come to share in your children's learning.

Wednesday 6th March

Thursday 21st March

Monday 1st April

Celebrating Independence

In line with the children's growing independence we would like to challenge them to come into school independently next term... saying goodbye at the door, putting their book bags in their drawer and beginning their morning activity!

Bristol Zoo

We are really looking forward to visiting Bristol zoo on 17th March. We will be travelling by coach. Children will require a packed lunch and drink for the day. If they have a small backpack to put this in that would be very helpful. We will be back in time for normal pick up from school at 3:30pm.

We still need more parent helpers to come with us. Without your support the visit will be unable to go ahead.

Please note that there has been a change to our class assembly!

It was originally set for the 23rd May but will now take place on Thursday 16th May.

We will share more details closer to the time!
