

Coffee Connections
20th September
Agenda

Grab a coffee/tea!

Welcome back/new parents- What is Coffee Connections?

Start of term! Reflection on how children are managing returning from the summer holidays. What has gone well? What could we improve?

Who can I talk to about my child and difficulties they have with learning or SEN&D? (Special Educational Needs and Disability)

South Gloucestershire SEND Update

Parent Workshops/Free Training opportunities

Attachment Aware School Bid

AOB

South Glos Parents & Carers (0-25 SEND)

Do you have or support a child/children with special educational needs? This might interest you....

The Local Offer should set out in one place all the information about the support and opportunities available for children and young people in South Gloucestershire (from 0-25 years) who have Special Educational Needs and/or disabilities (SEND).

We know through feedback from families that the South Gloucestershire Local Offer isn't working in its present form. Many parents, carers and professionals don't know what it is, its name doesn't make it obvious and they find it difficult to access information that could help them.

We are redesigning our Local Offer in South Gloucestershire and we need as many people as possible – parents, carers, professionals and young people, to help us build the support and service information you and our community needs.

South Glos Parents and Carers are hosting two events later this month for parents and carers, professionals, and young people with a disability:

- Bradley Stoke evening session 25th of September 7pm - 9pm Jubilee Centre (BS32 8HL)
- Yate day-time session 28th of September 10am - 12:30pm Poole Court (BS37 5TP)

Find out more and book your place: <https://www.sglospc.org.uk/current-event-page/>
