

Brilliance, through Bowsland Best

2nd September 2019

Dear Parents / Carers,

Welcome back to an exciting new year! This term, our exciting topic will include a historical focus on boats. To enhance the children's learning, we would like to take KS1 to **SS Great Britain** for the day. As well as the children being able to explore around the boat, they will have a workshop based around engineers which links to our mantle focus where we will be designing and making our own boats.

We will look at some of Brunel's projects, why he made changes to the design of the SS Great Britain and make a steam-powered screw propeller turn! Then we will hunt for original, historic artefacts linked to his work.

The trip will take place on **Friday 4th October**. We will leave school at 9.15am and return by 3pm.

Total: £ 13.15 this include entry fee, workshops and coaches.

Please log onto the Online Payment System to **consent** and **pay** for the trip **before 20th September 2019** Add the product to your basket and checkout in the normal way. Please note that without this consent your child will not be able to attend the trip.

Children will need to wear their normal uniform for the day. Your child will be provided with a packed lunch. Please indicate your sandwich choice on the slip below, in addition to consenting online.

For this trip to take place, we need 10 helpers to accompany us. If parents or family members are able to help, please indicate on the form below. (Please also note that while we endeavour to put parents in the same group as their child, this may not always be possible depending on health and safety and/or organisational issues).

PLEASE NOTE THAT THIS IS NOT THE CONSENT FORM, consent must be completed online.

Please note that if we do not receive enough donations from parents/carers for this trip, it may not take place as unfortunately the school cannot subsidise large amounts for educational visits.

Thank you for your continued support.

Mrs Hadow

Mr Young

Miss Cherry
