

Unit No. 10 A Year Group: LKS2 Question: How is land used in the UK?

I already know...

England is split up into 48 parts or **counties**. **South Gloucestershire** and **Bristol** are **counties** in the **South West of England**.

Local means in a particular area. Yate is a town that is local to Bradley Stoke. Bristol is a city that is local to Bradley Stoke.

Urban means belonging to, or relating to, a town or city.

Rural means any area that isn't urban – belonging to, or relating to, the countryside.

Land use is the specific purpose the land is used for. E.g. **agricultural** (farming including soil, crops and animals), **residential** (where people are residents e.g. house, flats), **recreational** (where people carry out activity for enjoyment e.g. leisure centre), **commercial** (land that is used to create a profit e.g. shops), **industrial** (for industry e.g. factories) and **transport** (e.g. roads).

A **green space** is land with vegetation or water in an urban area e.g. play areas, allotments

A landmark is a building or place that is easily recognised e.g. war memorial

A **4 figure** grid reference tells you an exact location on a map.

In comparison to Krakow, Bristol has a **smaller population**, **fewer universities**, and a very **similar climate**.

Essential Knowledge and Vocabulary

function	The main activities or purpose of a settlement are its function .
forestry	Growing and taking care of trees in forests, especially in order to obtain wood, is forestry .
coastal	Coastal means the land next to the sea.
freshwater	Lakes and rivers are freshwater , whereas the sea contains saltwater.
developed	Land that has had buildings or roads built on it is said to be developed .
grazing	Land used for grazing is given over for animals to eat grass.
crops	Crops are plants grown to sell, like wheat.
distribution	How something is spread out.
percentage	A proportion of something, as a fraction out of 100. 100% = the whole thing.
region	A region is a large area of land that is different from other areas of land.
trade	Buying and selling is called trade .
settlement	A settlement is a place where people live, such as a village, town or city.
economic	To do with money, trade and industry.
industry	Industry is the work and processes involved in collecting raw materials, and making them into products in factories.
market	The place where goods are sold is their market .

How land is used in the UK

Coherence – Prior Knowledge

KS1

- Geography is the study of places
- The location of our school in a town and their own house within the local area.
- Physical and human features of the local area
- Physical and human features of Bristol.
- Knowledge of global locations – Iqaluit in the Canadian Arctic and Calicut in Kerala, India. Comparison of Bristol to these cities.

LKS2

- The land use patterns in Bradley Stoke.
- Four-figure grid references on OS maps
- Comparison of Bristol to Krakow

Critical thinking and compassion

What is it like to be a person who uses the land for...? What makes a place better for ... than ...? How does land use impact upon the environment and different living things? What is common between people who use land in different ways?

Creativity

Represent different land use in different ways. Using different examples of land use (e.g. farmed crops), create a representation of a chosen place.

Communicate

Work in groups to collectively represent different land uses. Contact school communities in areas where land use is similar to/different from ours.

Collaborate and connect with the community

Who do we know who can share their expertise about living or growing up in different areas of land use? Twinning: where in the UK should Bradley Stoke be twinned with? Bradley Stoke Twinning Association.

Coherence – Connections between subjects

Cycle A

Be Safe	Being Me in My World	
Science	Humans and other animals; Plants; Rocks and soil	
Computing	Databases and visual representations	
PE	Dance	
Art/Music	Landscape and cityscape artists	Pastoral symphony
Spanish	Land use in Spain	
DT Week	Mechanical pictures: Town/Street/School Maps	
RE Week
