End of Term 3: February 2021

Despite the fact that most of us are in lockdown, the learning in Year 3 and Year 4 has still been inspirational! Whether we're online, offline or somewhere in the 'blended' middle, our learners' Bowsland Best continues...

Phonics with furry friends

Karate awards... at a distance

Helping fellow home learners

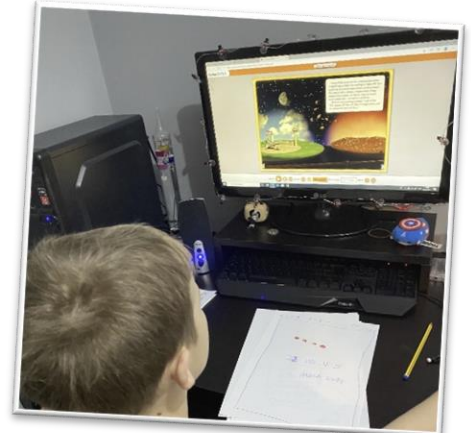

Skara Brae... or Minecraft?

Wow!

It's been a strange term, after we all came back into school at the start of January for the grand total of... one day!

However, Bowsland Green's brilliant pupils have taken events in their stride.

Just look at all the fantastic learning that we've shared during Term 3...

Reading practice every day

Keeping in touch with the school team

Of course, none of this would be possible without the support of our family teams.

The teamwork and positivity that you demonstrate on a daily basis is outstanding.

From the whole of the staff team at Bowsland Green; thank you, and we hope you enjoy a relaxing half-term break.
