

LKS2 Newsletter

Check us out...

Congratulations to all Lower Key Stage 2 pupils for their effort and **achievements** in term 5. In the classroom and throughout school, children have consistently shown their drive and determination to be brilliant during a busy term full of learning.

As school slowly adjusts its health and safety plan, based on national guidance, year 3 children have shown **enjoyment** as they were reunited as a year group and play times have seen huge smiles on the faces of children playing with the peers they have missed. We also look forward to whole school events and, as the lead roles in the production Year 4 are particularly excited to welcome adults to the Midsummer Night's Dream play in term 6.

Preparing for Sports Day

Sports day is on Wednesday 7th July and already Lower Key Stage 2 children are preparing so they can show their brilliant best. As part of their PE lessons, children have been using their time and distance knowledge from maths to accurately measure distances, time races and then record their scores. Olympics 2028 in Los Angeles here we come!

Upcoming Dates

Monday 7th June

Inset Day

Tuesday 8th June

Start of Term

Friday 11th, 18th 25th June and

2nd July

Sports Day

Thursday 8th July

5.00pm – 6.00pm

LKS2 Performance

Thursday 12th July

House Enrichment Day

Wednesday 21st July

End of Academic Year

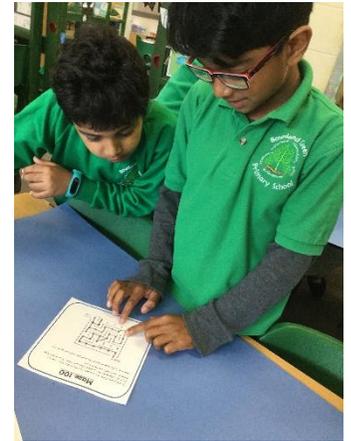

A Journey Down the Danube

In **term 5**, Lower Key Stage 2 have been exploring the River Danube and its features building on their knowledge about the River Severn in term 4. This culminated in the creation of large river maps and small, embroidered River Danube fish, which were made during design and technology week, using their textiles skills.

NSPCC Number Day

On **Friday 7th March**, the whole school had a brilliant day celebrating the NSPCC number day. Children took part in a Times Table Rockstars relay throughout the day whilst completing Miss Campbell's tricky maths challenges.

Next term

In **Term 6**, we will be learning all about Ancient Egypt and the River Nile. Our question we will be investigating is, '**Why was the River Nile so important to the Ancient Egyptians?**'

We will send home a topic overview at the beginning of next term to show some of the things we will be focusing on.

Have an amazing break and we will see you all on Tuesday 8th June!
