

# How you can help

## Entertainment Organiser

**Purpose:** To source entertainment for the summer fair

**Key Responsibilities:**

- Plan/suggest entertainment options for the summer fair
- Liaise with local clubs and groups to secure a selection of different types of entertainment, e.g. dance groups, sport demonstrations
- Create a schedule of entertainment, in liaison with the FOBG committee, for the summer fair
- Obtain social media handles from participating groups in order that the FOBG can promote the activity on promotional posts

**Important information:**

- The emphasis should be on local groups (particularly those attended by pupils at the school) – no fee will be charged and groups will be permitted to hand out promotional leaflets and be included on FOBG promotional activities e.g. social media
- Consideration will need to be given to the technical requirements of each group – e.g. power supply/music player for dance groups
- Acts should be booked for around 30 minutes each
