Games Organiser

Purpose: Plan a selection of games to be run by FOBG volunteers

Key Responsibilities:

- Create a list of games which can be run by FOBG volunteers
- Review the existing games equipment in the FOBG shed
- Refresh/repair any existing games ready for the fair

Important information:

- The existing games in the FOBG shed will require some updating – this is a task for someone practical!
- The FOBG committee is open to suggestions of new games – the emphasis is on minimal cost for set up to ensure maximum revenue. Games should be reusable for future events
